Introduction

This Planning Report has been prepared by CBRE Towns Planning Pty Ltd on behalf of Korvada Investments Pty Ltd in support of a planning scheme amendment to rezone the respective land identified below in accordance with recommendations of the Corio North Lane Structure Plan 2012.

- Geelong Gateway Homemakers Centre, 470-510 Princes Hwy COB80
 - 452-458 Princes Hwy COB80
 - 446-450 Princes Hwy COB80
- The following report assesses the planning merits of the proposal and its consistency with the relevant state and local planning policy directions. The assessment demonstrates that the rezoning proposal is appropriate for the following reasons:
- The proposal is consistent with the key directions of Ministerial Direction 11 for the preparation of a planning scheme amendment, the major thrust of Melbourne 2030 and the Victorian Planning Provisions (VPPs).
 - The rezoning accords with the Local Policy Framework including the Municipal Strategic Statement, City of Greater Geelong's Retail Policy and Corio North Lane Structure Plan 2012.
 - The amendment will apply a more appropriate zoning relative to the existing land use activities on the site.
 - The amendment meets all the relevant assessment criteria and will provide a demonstrable net community benefit.
